Respond by February 6, 2006

The New Hampshire Department of Agriculture, Markets & Food is pleased to announce that preparation for a 2006 edition of the "Experience Rural New Hampshire" brochure is underway. This publication lists events, activities and places of interest for New Hampshire visitors and residents alike. This publication is very popular and heavily requested. We are looking for information for 2006 (April-December) and 2007 (January-March) including festivals, shows, museum events, field days, competitions, special markets and any other activities that highlight New Hampshire's rural community, history, agriculture and forestry, with emphasis on family entertainment and education.

Please note: As other farm retail publications are available (Harvest Your Own Guide and the Farm Stand Directory), pick-your-own or other farm retail activities, unless they are in conjunction with other special events, should not be submitted for this brochure.

To be part of the "Experience Rural New Hampshire" brochure, simply send information about your event(s) on the enclosed form. There is no fee to be listed. Activities may be ongoing or occur on a specific date. Participation in this brochure includes a listing on the New Hampshire Department of Agriculture, Markets & Food website.
